

What is Arclinea kitchen equipment?

Arclinea kitchen equipment refers to versatile and customisable solutions from the Arclinea Collection. It is an exclusive, elegant, and precise solution for any kitchen project.

Why should you choose Arclinea?

The aim of Arclinea is to produce projects that last, capable of generating the desired kitchen each time. Because, while perfection can exist on paper, it only happens when the project fully meets all the demands made of it: a synthesis of combined values.

What makes Arclinea different?

The quality of the Arclinea product begins with a custom-made and personally-assisted design. Arclinea carefully contemplates the use of space, time and utensils, and considers the movements involved in food preparation and cooking.

Who designed the Arclinea collection?

The Arclinea Collection is designed and coordinated by Antonio Citterio and features a completely contemporary concept in functional and trend-setting kitchens. Citterio, renowned Italian architect and designer, is the recipient of Italy's highest design award, the Compasso d'Oro as well as Elle Decor's 2004 Designer of the Year Award.
