

Backpack battery storage kiosk with double door

How does a self storage kiosk function?

A self storage kiosk allows tenants to connect with a real person via two-way video for assistance with rentals and payments. They can also navigate quickly to any task using the wide-scale color touchscreen.

When are self storage kiosks available?

Your self storage kiosk is available day or night to help you service your customers. INSOMNIAC kiosks support a full range of rental and payment transactions, including video chat with a live person at any point in the rental process. They are backed by remote monitoring and support and a lifetime hardware warranty.

Does valid manufacture a lighting & power kiosk?
