Why should you choose a steel battery enclosure?

This includes all required safety and quality checks on a global scale. Steel battery enclosures combine the structural advantage of higher-grade steel and the lower material cost compared to aluminum or fiber reinforced plastic. Large one-piece stampings offer improved leak tightness, are safety-critical, and reduce production costs.

What is Olde English 800?

Olde English 800 is a brand of American malt liquor brewed by the Miller Brewing Company. Introduced in 1964, it has been produced by the company since 1999. It is available in a variety of serving sizes including (since the late 1980s) a 40-U.S.-fluid-ounce (1,200-milliliter) bottle.
