

What is an outdoor kiosk?

An outdoor kiosk is a durable, interactive terminal designed to withstand the elements and provide information, services, or entertainment in outdoor locations. They are built with weatherproof enclosures, sunlight-readable displays, and vandal-resistant features to ensure reliable operation in various conditions.

Are outdoor kiosks weatherproof?

Outdoor kiosks are built with weatherproof enclosures that meet specific Ingress Protection (IP) ratings. These ratings indicate the level of protection against dust, water, and other environmental factors. Advanced Kiosks' outdoor models are designed to withstand rain, snow, extreme temperatures, and even vandalism.
