

# China supply solar battery stainless steel enclosure

What is a solar battery enclosure?

Free-standing enclosures and floor-mounted enclosures are perfect either for large solar batteries or many batteries that are too heavy to be wall-mounted or pole-mounted. Free-standing battery enclosures could be of any height, width, and depth according to your requirements. They can be portable if you choose to include casters.

What are the best solar battery enclosures?

NEMA 4X provides enhanced protection against corrosion, ice formation, water ingress, and dust. These enclosures are meant for industrial outdoor use. Aluminum solar battery cabinets are a great choice of enclosures. Aluminum is lightweight and protects from corrosion. These battery boxes are of great quality and shiny appearance.

Who is KDM solar battery enclosure manufacturer?

KDM is your professional solar battery enclosure manufacturer in China. We will supply the best enclosures for your business, shipping worldwide. Protect your solar batteries with our tested, waterproof enclosures today!

What is a tower-mounted solar battery enclosure?

Tower-mounted enclosures are very similar to pole-mounted, except towers are thinner and shorter than poles. Also, towers may mean electrical towers for holding telecom or electricity cables. Such installation is great for keeping your solar battery enclosure off the ground if there are no poles or walls in the vicinity.
