

Custom outdoor solar battery Electrical Box nearby

What is outdoor battery enclosure?

The outdoor battery enclosure is a housing, cabinet, or box that can be used outdoors and specifically designed to store or isolate the battery and all its accessories from the external environment. Outdoor battery enclosures keep your batteries safe from weather and safe from theft.

Do heavy batteries need a solar battery box?

Heavy batteries demand a solar battery box with extra strength and durability. In order to protect outdoor batteries from weather and damage, Bison Profab manufactures custom NEMA 3R enclosures.

Why do you need an outdoor battery enclosure box?

Outdoor battery enclosures keep your batteries safe from weather and safe from theft. Outdoor battery enclosure boxes also feature locking mechanisms that protect unauthorized people against possible electrical dangers if they happen to be tampering with your equipment.

What is a solar battery box?

This product is perhaps more commonly called a "solar battery box" but is also referred to as a "pole mount battery box". Some battery boxes are large enough to be considered battery cabinets and are usually made from painted steel. Battery enclosures keep your batteries safe from weather and safe from theft.
