

Who is Custom Stainless Steel?

Custom Stainless Steel, founded by Captain Joe Zsido in 1968, is a stainless steel fabrication company based in Benton, Illinois. It serves various boat manufacturers and their dealers across the country from its headquarters.

Does Stoll offer a custom outdoor kitchen design?

Whether you need a small kitchen island or a completely custom outdoor kitchen design, we are ready to bring your vision to life. Add premium Stoll outdoor storage components -- doors, drawers, and dry storage--or have your kitchen built-to-order to house the components of your choice.

Are outdoor grills made of stainless steel?

With most outdoor grills being made of 304 grade stainless steel, it's no surprise that cabinet manufacturers also incorporate stainless steel into their designs. What makes stainless steel "stainless" is the presence of at least 10.5% chromium in the makeup of the iron.

Are metal fabricated outdoor kitchens a good choice?

Metal fabricated outdoor kitchens also offer significant weight savings when compared to concrete or stone, making them perfect if you're in the market for a deck top outdoor kitchen and allowing you to build your outdoor kitchen with even more features and amenities.
