

Where can I get custom-made Douglas fir slab door kitchen cabinets?

You can have custom-made Douglas Fir Slab Door Kitchen Cabinets from any of your trusted woodworker professionals. In fact, that will be your best bet if you don't know how to handle and work with this reddish-brown softwood.

What color appliances go with Douglas fir cabinets?

A dark appliance such as Black stainless steel, slate gray, and Black will be a smarter choice to accentuate the Douglas Fir Cabinets. Stainless steel being a neutral appliance color, it goes well with almost all kinds of wood cabinets. Don't take the color of the appliance as something to be trivial and unimportant.

What flooring goes well with Douglas fir cabinets?

Reclaimed White Oak, light natural wood, and Douglas Fir floor will remarkably blend in with Douglas Fir Cabinets. Secondly, dark floors like Brazilian Cherry and Douglas Fir end grain will breathe life into a kitchen that is open, big, adorned with big windows and enough lights to chase off the darkness.

What color countertops go with Douglas fir cabinets?

With Douglas Fir Cabinets, you can go both ways, light or dark. Light countertops like white, grey and soft green granite will light up the kitchen beautifully. Whereas dark-colored countertops like grey, black with green or brown flecks will make your kitchen look like it was crafted by the finest artisan.
