

Why do you need a Rittal outdoor enclosure?

The ever higher proportion of renewable energies in the power supply mix, accompanied by a rapid increase in the number of consumers such as electric vehicles, is making energy storage systems increasingly important. Rittal outdoor enclosures provide optimum protection for your battery systems.

Can I place a direct order with Edsal?

Welcome to our website! No direct orders will be placed, only requests for quotes. Choosing a selection results in a full page refresh. Edsal Manufacturing Company is the name to trust when it comes to steel shelving and cabinets. We are an industry-trusted provider of commercial and industrial storage solutions in North America.

What is a battery enclosure box?

Battery enclosure boxes also feature locking mechanisms that protect unauthorized people against possible electrical dangers if they happen to be tampering with your equipment. Our battery enclosures can be pole-mounted or ground-mounted and are suitable for indoor and outdoor applications.

Are battery energy storage systems permitted in a zoning district?

Tier 1 Battery Energy Storage Systems shall be permitted in all zoning districts, subject to the Uniform Code and the "Battery Energy Storage System Permit," and exempt from site plan review. 7. Permitting Requirements for Tier 2 Battery Energy Storage Systems
