

Are prepaid electricity plans a good option for Houston residents?

But a prepaid electricity plan is a great option for Houston residents who need a flexible payment structure and an affordable rate. Paying for your home's electricity in advance may seem backwards, but electricity provider Payless Power's prepaid electricity plans allow you to manage your payment when it's most convenient for you.

Which energy providers serve the Houston area?

Here's a list of some of the energy providers that service the Houston area: Houston's primary utility is CenterPoint Energy-- CenterPoint serves electricity to nearly 2.6 million customers in the Houston area. In 2002, Texas passed Senate Bill 7, which gave residents in cities like Houston the option to choose their electricity supplier.

Which light companies in Houston offer flat rates?

Some of the light companies in Houston that offer flat rates are Texpo, Energy Texas and Summer Energy. With a no-credit check and prepaid electricity plan, you can get the power you need without having to worry about a credit check or a long-term contract. This is ideal for those who prefer to pay as they go or those with less-than-perfect credit.

How are Houston prepaid electricity rates obtained?

All Houston prepaid power rates are obtained from the "Electricity Facts Label" of each retail electric provider. It is important to note that electricity service offers can be either fixed or variable, and a variable rate may change during the contract period, whereas a fixed rate is guaranteed for the entire term of the contract.
