

What color cabinets go with a herringbone backsplash?

The cabinet color choice goes so well with the beige herringbone backsplash tile and gives a little rustic feel to this transitional kitchen. The metal range hood and white upper cabinets create a focal point on the herringbone backsplash. Photo by Davonport Kitchen & Home - Discover kitchen design ideas

What is a herringbone backsplash?

The thick light gray herringbone backsplash tiles are in harmony with light wooden textures around the kitchen. Beveled edges of the tiles emphasize the striking herringbone pattern while the wooden floating shelves allow the backsplash tiles to stand out by creating an open and airy look.

What color backsplash goes with a herringbone tile backsplash?

A mid-sized marble herringbone tile backsplash adds a little elegance to this coastal kitchen by Maite Grande. The white and gray tones bring extra texture to the room and pair with both the white and pale blue cabinetry perfectly. By Blakely Interior Design, French country vibes abound in this kitchen.

What color is a herringbone tile?

Grey is a versatile color that can combine with different colors. From bright white tiles to sophisticated black tiles, gray offers a cohesive look for a different type of herringbone tiles.
