

# Italian outdoor design ip65 waterproof enclosure

What is an IP65 rated enclosure?

IP65 rated enclosures provide indoor and outdoor protection for waterproof applications. Tested to IP65 standards ensures enclosures and cases are safe for housing sensitive electronic assemblies in harsh environments. IP65 rated boxes are available in plastic, aluminum and steel varieties.

Are Bud enclosures IP65 rated?

Bud offers a broad line of IP65 rated enclosures in materials ranging from plastic to fabricated steel. Enclosures with the IP65 rating are suitable for outdoor use and for indoor applications where factory washdown may occur. (Plastic IP65 enclosures must be UV rated if used outdoors.)

What are the different types of IP65 rated boxes?

IP65 rated boxes are available in plastic, aluminum and steel varieties. With a wide range of sizes and styles to choose from it's easy to find the perfect IP65 junction box or enclosure solution. IP65 enclosures are extremely versatile due to their ability to withstand dirt, dust, debris and low-pressure water jets.
