

What is the difference between a G and a J?

This sound was already established in the language in words of Romance origin in which it was represented by g (e.g., in words such as gesture or ginger), and these words retain their spelling. In English the letter J represents the same sound (dz) in all positions, and deviations from it are extremely rare even in words of foreign origin.

What does J mean in English?

J, or j, is the tenth letter of the Latin alphabet, used in the modern English alphabet, the alphabets of other western European languages and others worldwide. Its usual name in English is jay (pronounced /dʒeɪ/ (i)), with a now-uncommon variant jye /'dʒeɪ/.
