

Outdoor solar battery enclosure 18 Gallon deep

What are the best solar battery enclosures?

NEMA 4X provides enhanced protection against corrosion, ice formation, water ingress, and dust. These enclosures are meant for industrial outdoor use. Aluminum solar battery cabinets are a great choice of enclosures. Aluminum is lightweight and protects from corrosion. These battery boxes are of great quality and shiny appearance.

What is a solar battery enclosure?

Free-standing enclosures and floor-mounted enclosures are perfect either for large solar batteries or many batteries that are too heavy to be wall-mounted or pole-mounted. Free-standing battery enclosures could be of any height, width, and depth according to your requirements. They can be portable if you choose to include casters.

Do heavy batteries need a solar battery box?

Heavy batteries demand a solar battery box with extra strength and durability. In order to protect outdoor batteries from weather and damage, Bison Profab manufactures custom NEMA 3R enclosures.

What is a battery enclosure box?

Battery enclosure boxes also feature locking mechanisms that protect unauthorized people against possible electrical dangers if they happen to be tampering with your equipment. Our battery enclosures can be pole-mounted or ground-mounted and are suitable for indoor and outdoor applications.
