

Does sunwize Power & Battery offer custom enclosures?

Sunwize Power & Battery also offers custom enclosures to meet any specification. All Enclosures include rainproof design, electrical knockouts and ventilation. M Series Enclosures are pole-mounted enclosures featuring new battery storage capabilities and a hammered powder coat finish.

Are solar batteries safe for outdoor installations?

Outdoor installations make solar batteries more susceptible to theft and damage from the environment. To minimize the risk, it's essential to use locks, enclosures, and even security cameras to protect your battery from theft or vandalism. Outdoor solar batteries require regular maintenance.

Are sunwize Power & Battery enclosures NEMA 3R rated?

Most of our enclosures are designed to NEMA 3R and rated for outdoor use. White powder coating and quality manufacturing ensure a robust enclosure that will survive even the harshest conditions. Sunwize Power & Battery also offers custom enclosures to meet any specification.

Do heavy batteries need a solar battery box?

Heavy batteries demand a solar battery box with extra strength and durability. In order to protect outdoor batteries from weather and damage, Bison Profab manufactures custom NEMA 3R enclosures.

A light, sweet, and crunchy snack made using freshly harvested, organic saba banana from Oriental Mindoro. These chips are cooked traditionally using a pugon (hearth), then coated in honey.
