

Tall outdoor industrial storage enclosures station

What is an outdoor equipment enclosure?

Outdoor equipment enclosures protect sensitive pumps and generators from damage, harsh environmental conditions, theft, and tampering.

How can Porta-King help you design equipment enclosures?

Porta-King's team of experienced engineers can help you design equipment enclosures to your exact specifications. Some of our customized options include: Construction material including maintenance-free anodized aluminum or painted galvanized steel to address the broadest range of application requirements.

What is industrial outdoor storage (IOS)?

Our Industrial Outdoor Storage (IOS) yards provide a fast, scalable alternative when you max out warehouse space or project timelines shift. We specialize in: Stacked or wheeled, we can receive, hold, and release containers according to your schedule. Overnight or long-term parking for dry vans, flatbeds, and specialty equipment.

Where is outdoor storage available?

We currently offer outdoor storage at select locations in gateway markets like Los Angeles and Savannah, and high-velocity inland hubs including Laredo, Fort Worth, Chicago, Atlanta, and Kansas City. These locations are ideal for shippers and carriers looking to stay close to import/export channels while avoiding congestion and delays.
