

Telecom outdoor corrosion resistant rack

What are HVAC outdoor Telecom enclosures & cabinets?

AZE's HVAC outdoor telecom enclosures and cabinets are designed specifically to protect high density installations of network equipment in outdoor environments and are ideal for wireless, wireline, and utility and applications.

What are outdoor Telecom cabinets?

Our outdoor telecom cabinets are designed to protect your sensitive network equipment from harsh environments where equipment may be exposed to dust or water. For added protection, there is a water and dust proof polyurethane door joint strip.

Are outdoor racks safe?

Our Outdoor Racks are built to withstand everything, from rain and snow to dust and hot sun. They're even tough enough to resist vandalism. Your sensitive electronic equipment will stay safe and continue to run reliably thanks to the cabinets' shock- and vibration-proofing and their efficient thermal management.

What are nVent Schroff outdoor racks & cabinets?

nVent SCHROFF Outdoor Racks & Cabinets safeguard your sensitive electronics in outdoor environments and ensure they function smoothly and reliably. Our Outdoor Racks are built to withstand everything, from rain and snow to dust and hot sun. They're even tough enough to resist vandalism.
