

Hello fellow Sneapsters! :D I'm happy to announce that I'm collaborating with The Metal Factory Studio in Madrid with a POD Farm preset bundle. As a lot of you may know already, I've ...

The Metal Factory Studios provides drum libraries ONLY and does not provide any serial numbers, products, or software related to Native Instruments or Kontakt. ONLY NKI & NKM FILES IN THIS ...

It includes our acclaimed Meinl, Sabian & Zildjian cymbal bundles. You will find chokes and crescendo effects as long as other articulations. Please be aware that all drum instruments provided by The ...

THIS IS A SET OF AUDIO FILES ONLY, THIS IS NOT A PHYSICAL CABINET. The Package is in .RAR format, so you will need WINRAR to extract its contents. This is an original product by Alex Cappa & ...

I'm kinda GASing for it since I'm working on a track currently and have a few days off from work to play around with it. So all the instruments have multiple velocity layers and round robin?
