

Waterproof steels 37-in 5-battery tool enclosure cmst98223rb

What are battery enclosures & cabinets?

Battery enclosures and cabinets are a safe way to store batteries and to protect them from the elements as well as providing a line of defense against theft.

What is a waterproof enclosure?

Waterproof enclosures fulfill a wide range of purposes. They can guard sensitive electronic equipment, or they might serve as electrical outlet boxes or electrical junction boxes in harsh environments. Many are designed to work as either indoor or outdoor electrical boxes, with features that allow them to excel in either role.

What is a battery enclosure?

This place is called a "battery enclosure", or what is essentially a vented box made from aluminum or fiberglass or steel. This product is perhaps more commonly called a "solar battery box"; but is also referred to as a "pole mount battery box".

What is a watertight enclosure?

With a watertight gasket, sealed enclosures are guaranteed to keep electronic and electrical equipment safe in wet conditions. Most watertight enclosure models are also dust-tight, providing near-total protection from inclement weather, and some offer resistance to other environmental hazards such as corrosion and/or submersion.
